**E- mail: gcpc11@yahoo.com**

**Tender Notice No: 3/GCPC/EFP/ABD**

**Date: 18/01/2012**

## **Environment Consultancy Services**

Ahmedabad is one of the leading city in terms of Industrialization because it has the highest number of composite industries in India. This gave rise to a large number of small and medium scale industries. To accommodate Industries, industrial estates were developed at Naroda, Vatva, Odhav, Kathwada, Gujarat Vepari Mahamandal and Narol on the eastern periphery of Ahmedabad. Most of the industries in the industrial estates are water intensive and all of them discharging their treated effluent into Sabarmati River through Mega Pipeline, which did not meet the River Norms and results into water contamination.

**The Project consist of Study of Revamping and preparation of detailed project report (DPR) including Designing, Engineering and cost estimation of six existing CETPs' located at industrial estates Naroda, Narol, Odhav(3) , Vatva and new FETP at Pirana having the latest technology to recycle the water/ disposal in river. And Study on adequacy of existing Conveyance Main (Mega pipeline) of industrial effluent from Naroda to Pirana.**

**The purpose of the Project is to improve the quality of the industrial effluent and also final treated effluent to meet the River norms in consultation with GPCB and Kalpsar project and also check the possibilities to recycle the treated water in appropriate manner.**

The document consisting of project details, scope of work, terms of payment, general conditions etc. can be obtained on payment of Rs 10,000/- + (Rs. 200/- extra for blank tender copy by post) in cash or DD in favor of Gujarat Cleaner Production Centre, Gandhinagar, non refundable from office of Member Secretary, GCPC, Block No 11 & 12, 3<sup>rd</sup> Floor, Udhog Bhavan, Sector 11, Gandhinagar – 382017, during office hours from date 18<sup>th</sup> Jan, 2012 to 23<sup>rd</sup> Jan 2012 upto 18:00 hrs.
