

GIDC Visits Old Age Home

GIDC is celebrating its 50 years of Success & Growth...!!

As a part of Golden Jubilee Celebration, about 25 employees of GIDC, Gandhinagar & officers visited Jivan Sandhya Ashram, Naranpura, Ahmedabad.

For many employees this was the first time that they had interacted with this age group and since they had never been sensitized to the problems and feelings, this was an opportunity not to be missed.

The GIDC officers & employees were introduced to the problems faced by the inmates of Ashram by Shri Parshu Kakkad, Trustee, Jivan Sandhya and requested us to take an oath of not doing this mistake ever in our life and love our parents. Then all the inmates of Ashram and GIDC played “Passing-the-parcel”, musical performance by few seniors followed by “Antakshri” between GIDC & Jivan Sandhya inmates. Jivan Sandhya won the Antakshri & it was a zealous experience to see the excitement on their faces which filled the GIDC staff’s heart with joy despite of losing the game. This ended with the vote of thanks from the care taker of Ashram.

GIDC expressed its gratitude distributing few essentials to all the inmates and departed with beautiful memories to cherish.

During this visit, it was experienced that the youth should be more accepting, patient and responsible for the physical, mental and emotional inadequacies. It was a pleasure to spend day for the parents who have been abandoned by their children.

Such visits to the old age homes in different districts would continue till August, 2012, as part of Golden Jubilee Celebrations of GIDC
